## FOREWORD

The Conditions of Contract for Consultancy Services were developed jointly in 2000 by the Auckland Region Contracts Group (ARCG), ACENZ, IPENZ, ALGENZ (now Ingenium) and Transit NZ (now NZ Transport Agency).

A second edition was prepared in 2005. This third edition is the result of experience from use of the first and second editions and has been developed by representatives of ARCG, NZ Transport Agency (NZTA) and ACENZ and agreed by IPENZ and Ingenium.

These Conditions of Contract for Consultancy Services (third edition) are recommended for general use for contracts for the purpose of procuring and providing professional consulting services. They have been developed to apply to a wide range of consulting services and for most types of projects. This document is for use where the Services are being procured for the purposes of a business.

The General Conditions of Contract are intended to be amplified or adapted as required to suit particular engagements by use of the Special Conditions. A *pro forma* is included with the document. Similarly, a formal Agreement is also included.

Users are invited to copy this document in order to bind it into a contract, on the condition that any variations should be clearly identified to all parties.

- advise the Client promptly if additional briefing or information is required from the Client to avoid any delay to the provision of Services or Works; and

The notice shall include details of the estimated cost of the Services, likely or estimated impact on the programme and completion date for the Services and make recommendations on how to proceed.
- 

### **2.2 Duty of Care**

In providing the Services, the Consultant must use the degree of skill, care and diligence reasonably expected of a professional consultant providing services similar to the Services.

### **2.3 Duty of Independent Judgement**

Where the Services require the Consultant to certify, decide or use discretion under a contract between the Client and a Third Party, the Consultant must act independently, and with professional skill and judgement, according to the terms of the contract between the Client and the Third Party.

### **2.4 Subconsultants**

Subject to clause 12.8, the Consultant shall appoint, direct and pay any Subconsultant. The Consultant is responsible to the Client for the services of any Subconsultant.

The sub-contracting of any of the Services shall not relieve the Consultant from any liability or obligation under the Agreement.

If the Client decides for good reason that a Subconsultant is unsuitable, the Client can require the Consultant not to have that Subconsultant perform the Services. The Consultant shall then replace that Subconsultant.

Subconsultants may be appointed at any time subject to approval by the Client.

### **2.5 Other Consultants**

required by the Services. The Consultant shall not be responsible for the services and/or work of Other Consultants.

## **2.8 Conflicts of Interest**

The Consultant must try to ensure that conflicts of interest do not arise, and notify the Client immediately in writing if it is thought that a conflict of interest may arise or has arisen.

Where a conflict of interest is identified and the Client has given informed consent, the Consultant must establish structures and practices which:

- ensure that the conflict is avoided in practice; or
- if avoidance is not practicable, ensure that the effects of conflict are minimised.

In either situation, the Consultant must inform the Client of the structures and practices that have been established.

## **2.9 Instructions to Contractors**

The Consultant may instruct the Contractor and/or vary the Works to the extent authorised in Appendix A. The Consultant must not instruct a Contractor to vary the Works in a material way beyond this authority, unless an emergency occurs. In emergency circumstances, the Consultant may vary the Works and shall immediately notify the Client about the changes.

## **2.10 Health and Safety**

The Consultant must have in place a health and safety management plan that is appropriate for the Services and comply with any health and safety plan operated by the Party or Third Party in control of the site.

- complying with the Consultant's obligations under the Health and Safety in Employment Act 1992 (HSEA); and
- where the Services expressly include management duties in relation to the Works, assisting the Client in complying with the Client's obligations, in relation to the Contractor, under the HSEA including raising health and safety issues with the Contractor and the party in control of the workplace.

### **2.11 Public Statements**

The Consultant must not make any public or media statements to anyone about this Agreement, the Services or the Works without the Client's written approval.

### **2.12 Delay**

If at any time the Consultant's performance falls behind the programme set out in Appendix A (as amended from time to time in accordance with the Agreement), then the Consultant shall notify the Client and, where due to matters within the control of the Consultant, shall take all practicable steps to remedy such delay.

### **3. Obligations of the Client**

#### **3.1 Payment**

The Client must pay the Consultant for the Services according to the terms and conditions set out in Appendix B and elsewhere in this Agreement.

#### **3.2 Provision of Information to the Consultant**

The Client must:

- provide, free of charge, the information listed in Appendix F; and
- declare any ownership or proprietary rights any other person may have to this information and pay for any royalties or fees; and
- in response to the Consultant's request, provide additional relevant information, within a timeframe that does not materially delay the Services or the Works; and
- accept responsibility for the accuracy of information provided. The Consultant is expected to review all the information provided to ensure that it contains no manifest errors or omissions. No Variation will exist if the information contains manifest errors or omissions that the Consultant should reasonably have been expected to find.

#### **3.3 Client Decisions**

The Client must respond to any written request from the Consultant for a decision within a reasonable time, to avoid or minimise any delay to the provision of the Services or Works.

If the Services are to be provided in stages, then the Client must approve the current stage before the Consultant may proceed with the next stage. If the Client has any concerns with the current stage, the Client shall notify the Consultant of these in writing prior to giving approval for the Consultant to proceed to the next stage.

#### **3.4 Assistance to the Consultant**

The Client must co-operate with the Consultant and not obstruct the proper performance of the Services.

The Client must, as soon as practicable:

- provide, free of charge, the personnel, equipment and facilities described in Appendix F; and
- allow the Consultant to visit the site and other locations associated with the Services; and
- obtain and pay for all consents, certificates, approvals, authorities, licences and permits that are needed to lawfully carry out the Works, except where they are to be obtained by the Consultant as set out in Appendix A.

### **3.5 Other Consultants**

Where the Consultant has to direct and/or co-ordinate the work of Other Consultants, the Client must include in the conditions of contract with the Other Consultants a requirement that the Other Consultants have the required insurance and that they will work under the direction of, and co-operate with, the Consultant. The amount of insurance required by each Other Consultant shall be the amount specified in Appendix F. If no sum is specified, it shall be not less than that required of the Consultant under Section 6 and the Special Conditions, unless the Client and Consultant specifically agree otherwise.

The Client shall arrange and must pay for the services provided by Other Consultants.

The Client shall be responsible for the services or work provided by Other Consultants.

Where the Client wishes to appoint an Other Consultant not included in Appendix F, the Client shall, where relevant, confer with the Consultant prior to the appointment of an Other Consultant regarding the scope of work, conditions of contract and selection of the Other Consultant.

### **3.6 Instructions to Others**

If, under this Agreement, the Consultant has to direct and/or co-ordinate work carried out by Other Consultants and/or Third Parties directly contracted to the Client, the Client shall give all instructions to such Other Consultants and/or Third Parties through the Consultant.

### **3.7 Matters Affecting the Services**

As soon as the Client becomes aware of anything that will materially affect the scope or timing of the Services, the Client must inform the Consultant in writing.

### **3.8 Health & Safety**

The Client shall provide to the Consultant a list of known identified hazards relevant to the Services and as set out in Appendix G, and any health and safety management plan operated by the Client that is relevant to the Services.

On sites where there is multiple provision of services and works, the Client shall establish a clear hierarchy of responsibilities related to health and safety management between all parties.

The Consultant does not assume any obligation of the Client under the Health & Safety in Employment Act 1992, unless that obligation is part of the Services.

### **3.9 Approvals**

Where approval of the Client is sought under this Agreement, it shall not be unreasonably withheld or delayed.

Where the Client gives its consent, review or approval in respect of any matter arising in relation to the Services, such consent, review or approval shall not reduce the liability of the Consultant in respect of the matter approved except:-

- where the matter being approved reasonably carries some risk; and
- the risk has been identified to the Client in writing; and
- the Client has accepted that risk in writing.

## **4. Personnel**

### **4.1 Client's Representative**

The Client's Representative has authority to give the Consultant instructions on the Client's behalf; and may monitor, review, approve, accept, reject or confirm any part, or all, of the Services.

If the Client changes the Client's Representative, the Client shall first inform the Consultant in writing.

### **4.2 Consultant's Representative**

The Consultant's Representative has authority to receive instructions on behalf of the Consultant and for co-ordinating and providing the Services as agreed on a day-to-day basis, and must communicate with the Client's Representative when required.

### **4.3 Key Personnel**

The written approval of the Client shall be obtained by the Consultant before Key Personnel can be replaced or substituted.

If the Client decides for good reason that one of the Key Personnel is unsuitable:

- the Client can require the Consultant not to have that person perform the Services; and
- the Consultant shall then replace that person with someone acceptable to the Client; and
- the Client shall not bear any cost or liability arising from the replacement of that person.

## **5. Payment**

### **5.1 Time for Payment**

The Client must pay the Consultant all amounts claimed and due under this Agreement within the time set out in the Special Conditions.

### **5.2 Disputed and Unpaid Invoices**

If the Client disputes an invoice, or part of an invoice, the Client must promptly give the reasons for withholding the disputed amount and pay any undisputed amount.

Where an invoice, or part of an invoice, is not disputed and is not paid as required in clause 5.1, the Client must pay interest on the unpaid amount from due date to the date of actual payment at the Consultant's non-penalty overdraft interest rate.

## **6. Liability and Insurance**

### **6.1 Consultant's Liability**

Where the Consultant breaches this Agreement, the Consultant is liable to the Client for reasonably foreseeable claims, damages, liabilities (including any liability of the Client to a third party), losses or expenses caused directly by the breach.

The Consultant shall not be liable to the Client under this Agreement for the Client's indirect, consequential or special loss, or loss of profit, however arising, whether under contract, in tort or otherwise.

### **6.2 Limitation of Liability**

The maximum aggregate amount payable, whether in contract, tort or otherwise, in relation to claims, damages, liabilities, losses or expenses, is as specified in the Special Conditions.

### **6.3 Contributory Conduct**

If either Party is found liable to the other (whether in contract, tort or otherwise), and the claiming Party and/or a Third Party has contributed to the loss or damage, the liable Party shall only be liable to the proportional extent of its own contribution.

### **6.4 Duration of Liability**

Neither party shall be liable for any loss or damage occurring after the period stated in the Special Conditions from the date on which the Services were completed.

### **6.5 Insurance**

The Consultant shall take out and maintain for the duration of the Services:

- professional indemnity insurance for the amount of the liability under clause 6.2; and
- public liability insurance cover as set out in the Special Conditions; and
- provision for reasonable defence costs.

The Consultant shall use all reasonable endeavours to maintain professional indemnity insurance for the duration of liability stated under clause 6.4. If at any time the Consultant is unable to obtain or maintain professional indemnity cover as required by the Agreement, or if any material change to the terms and conditions of the cover occurs, the Consultant shall, as soon as practicable, notify the Client in writing.

### **6.6 Proof of Insurance**

If the Client asks, the Consultant must produce certificates evidencing the currency of such cover and proving that professional indemnity and public liability insurance policies meet the requirements in clause 6.5.

## **7. Variations**

### **7.1 Variations to the Services**

The Client may order a Variation to the Services, in writing, or may ask the Consultant to propose a Variation to the Services, the impact of which on the cost, programme and completion date for the Services shall be agreed as in 7.2.

Where the Consultant notifies the Client under clause 2.1 that any direction or circumstance should be treated as a Variation, the Client shall as soon as practicable after receiving such notice, but within 10 Working Days, notify the Consultant in writing whether or not it considers the direction or other circumstances to be a Variation.

If the Client does not consider the direction or other circumstance to be a Variation then the Client and Consultant shall attempt to resolve the matter as soon as practicable, and if a Variation entitlement is agreed, proceed as in 7.2.

### **7.2 Agreement of Variations**

The Client and the Consultant shall agree, in writing, the value of the Variation and its impact on the programme and completion date for the Services, or the mechanism under which the value and impact on the programme and completion date for the Services will be derived.

Where practicable the value of the Variation and impact on the programme and completion date for the Services shall be agreed between the parties prior to the Variation works progressing.

Where the value of the Variation cannot practicably be agreed between the Parties prior to the Variation works commencing, the parties shall agree to a budget for the Variation works that shall not be exceeded without further agreement between the Parties.

### **7.3 Failure to Agree**

In the event that the Parties are unable to reach agreement on the value and impact on the programme and completion date for the Services, the matter shall be treated as a dispute and resolved in accordance with clause 10.

## **8. Confidentiality**

### **8.1 Client Obligations**

The Client must:

- identify Confidential Information at the time it is supplied to the Consultant; and
- keep all Confidential Information relating to the Consultant confidential and only use it for the purposes it was made available; and
- not disclose Confidential Information relating to the Consultant without the Consultant's written approval, unless it is necessary for the purposes of the Services or the Works to disclose it to any appropriate third party, or as required by law.

### **8.2 Consultant Obligations**

The Consultant must:

- identify Confidential Information at the time it is supplied to the Client; and
- keep all Confidential Information relating to the Client or the Client's project confidential and only use it for the purposes it was made available; and
- not disclose any Confidential Information relating to the Client or the Client's project or the Works without the Client's written approval, unless it is necessary for the purposes of the Services or Works to disclose it to any appropriate third party, or as required by law.

### **8.3 Exclusions**

Information shall cease to be Confidential Information when the information is publicly available through no unauthorised act of either Party.

If either Party is legally bound to disclose Confidential Information, that Party must first advise the other Party what information will be provided and limit the information to that required by the law.

### **8.4 Return of Confidential Information**

Upon request, and except as in clause 11.3, the Consultant must promptly return to the Client or destroy all Confidential Information which is in the Consultant's possession or control.

## **9. Copyright of Documents**

- 9.1** Subject to clause 9.6 all new Intellectual Property held in any medium, whether electronic or otherwise, shall be jointly owned by the Client and the Consultant. The Client and the Consultant hereby grant to the other an unrestricted royalty-free license in perpetuity to copy or use such New Intellectual Property and each Party is free to make whatever use they wish of the New Intellectual Property without any obligation to obtain the other's consent or to account for any future benefits.
- 9.2** All Pre-existing Intellectual Property shall remain the property of the original owner. The Client's Intellectual Property shall remain the property of the Client. The Consultant hereby grants to the Client, or agrees to procure the grant to the Client of, an unrestricted royalty-free licence to use and copy Pre-existing Intellectual Property to the extent reasonably required to enable the Client to make use of the Services or use, adapt, update or amend the Works. The Client hereby grants to the Consultant, an unrestricted royalty-free licence to use and copy the Client's Intellectual Property provided to the Consultant to the extent reasonably required to enable the Consultant to provide the Services.
- 9.3** The Consultant confirms (save in respect of any of the Client's Intellectual Property and subject to clause 9.4) that the New Intellectual Property, the Pre-existing Intellectual Property, the Services and the Services as incorporated in the Works will not infringe any intellectual property or other rights of any third party.
- 9.4** The Consultant does not warrant the suitability of the New Intellectual Property for any purpose other than the Services or any other use stated in the Agreement.

## **10. Disputes**

- 10.1** If there is a dispute between the Parties in relation to this Agreement, or any matter arising from it, the Parties will in good faith in the first instance use their best endeavours to resolve the dispute themselves.
- 10.2** If the dispute cannot be resolved by the Parties themselves within a reasonable time, then they must explore whether the dispute can be resolved by use of mediation or other alternative resolution technique.
- 10.3** If the dispute is not settled within a reasonable time, then either Party may refer the dispute to arbitration by a sole arbitrator under the provisions of the Arbitration Act 1996 and the substantive law of New Zealand. The arbitrator will be appointed by agreement between the Parties within 15 working days of written notice of referral by the referring party to the other or, failing agreement, by the President of the New Zealand Law Society or its successor body, or any nominee of the President. In either case, the arbitrator must not be a person who has participated in any informal dispute resolution procedure in respect of the dispute.
- 10.4** No dispute arising gives either Party the right to suspend their obligations under the terms of this Agreement.

## **11. Termination**

### **11.1 Termination of the Agreement**

The Client may terminate this Agreement at any time, or under the provisions of clause 12.4, by written notice to the Consultant. As soon as this notice is received, the Consultant shall stop the Services.

The Consultant may terminate this Agreement by written notice only if the Client has materially breached the terms of the Agreement.

At the completion of the Services the Agreement is hereby terminated.

Termination of this Agreement shall not prejudice or affect the accrued rights or claims and liabilities of the Parties.

### **11.2 Payment on Early Termination**

If the Client terminates this Agreement, or the Consultant terminates this Agreement because the Client has breached it, then the Client must immediately pay the Consultant for Services provided to the date of termination.

If the Client terminates the Agreement for reasons other than a default by the Consultant, or if the Consultant terminates the Agreement because of a default by the Client, the Client must also pay any reasonable costs that the Consultant incurs solely because of the early termination of the Agreement

### **11.3 Return of Property/Equipment**

At the end of the Services, the Consultant must return to the Client any property, including the Client's Intellectual Property, or equipment of the Client which is in the Consultant's possession or control.

Notwithstanding any other provision in this Agreement the Consultant shall be entitled to retain a copy of all documentation including Confidential Information, drawings, specifications, reports, correspondence, computer files and records of every description for its record keeping purposes only. Such documentation shall include all relevant New, Pre-existing and Client's Intellectual Property. The Consultant shall treat all such documentation as Confidential Information and shall mark it confidential.

### **11.4 Transfer of New Intellectual Property**

In the event of termination by the Client, the Consultant shall provide reasonable assistance to the Client in the transfer of the Services (including delivering copies of any New Intellectual Property in the Consultant's control) to the new consultant provided that the Client has made all payments due and owing under the Agreement.

## **12. General Provisions**

### **12.1 Law and Currency**

This Agreement is subject to New Zealand law. References to dollars are references to New Zealand dollars unless otherwise stated. Any arbitration or court proceedings about this Agreement, or the Services, must be brought and heard in New Zealand.

### **12.2 Consumer Guarantees Act**

The Client and the Consultant agree that, where the Services are provided for the Client's business purposes, the provisions of the Consumer Guarantees Act 1993 are excluded in relation to the Services.

### **12.3 Changes in Legislation**

If, after the date of this Agreement, the cost or duration of the Services alter because of changes or additions to any statute, regulation or by-law, or requirements of any authority that has jurisdiction over any part of the Works or the Services, the agreed changes to cost and duration of the Services will be treated as a Variation.

### **12.4 Events beyond Control**

Should any event occur which:

- is beyond the control of either Party; and
- is neither directly nor indirectly caused by either Party; and
- prevents the performance of the Services (in whole or in part) required under this Agreement,

then those Services will be suspended until such time that it becomes practicable to recommence the Services. This does not include events personal to either Party, such as ill-health or lack of funding or resources.

In the event that there is a reasonable likelihood that the Services are not able to be recommenced, then this Agreement may be terminated by the Client.

In circumstances where the Services or part of the Services have to be suspended or delayed, the Consultant will be allowed extra time to complete the Services and such extra time should be reasonable in the circumstances.

In the event that the suspension continues for greater than 6 months, then this Agreement may be terminated by the Consultant.

### **12.5 Advertising**

The Consultant must first obtain the Client's written permission if it wants to put up a sign on or near the site of the Works (or to which the Services relate) that directly or indirectly shows its involvement with the Works

## **12.6 Reporting**

The Client and the Consultant shall review and discuss the progress of the Services, as agreed from time to time, or as reasonably requested.

## **12.7 Notices**

All demands, notices, requirements and consents this Agreement authorises or requires, or that relate to this Agreement, must be in writing and will take effect from receipt at any one of the addresses shown in the Special Conditions. These may be delivered:

- by hand or by facsimile, in which case a written confirmation of receipt is required, or
- by registered letter, or
- by email, in which case receipt will take effect upon receipt by the sender of the email message indicating that the email has been opened at the recipient's terminal, provided that any communication received, or deemed received after 5pm, or on a day which is not a Working Day, shall be deemed not to have been received until the next Working Day.

## **12.8 No Assignment**

The Consultant must not assign, transfer or subcontract all or part of its rights or obligations under this Agreement without the Client's prior written approval. This approval may be refused without the need to give reasons, except that, in the case where the Consultant requests approval to subcontract to a related company of the Consultant, such approval shall not be unreasonably withheld.

If the Consultant assigns or transfers its rights, the Consultant will remain liable for the performance of its obligations under this Agreement, unless specifically stated to the contrary in any written consent to an assignment or transfer.

## **12.9 Survival of Provisions**

The provisions of clauses 2.10, 2.11, 5, 6, 8 and 9 shall continue in effect after termination of the Agreement.

## **12.10 No Waiver**

Any waiver given by either Party in connection with this Agreement is binding only if it is in writing, and then strictly in accordance with the terms on which it is given. Subject to this clause, no waiver given by either Party for the purposes of this Agreement affects or limits that Party's rights against the other Party under this Agreement.

## **12.11 Severability**

Each term of this Agreement is separately valid and binding. If for any reason either Party cannot rely on any term, all other terms will remain valid and binding, and the Parties will negotiate in good faith for an alternative term with similar financial effect for both Parties.

### **12.12 No Partnership**

Nothing in this Agreement is to be construed as evidence of a partnership between the Parties.

### **12.13 GST**

Where there is a reference to any payment under this Agreement, GST (or any similar tax) is to be added to the amount of that payment.

### **12.14 Client's Regulatory Functions**

If the Client has regulatory functions outside of the Agreement, the Client shall be deemed not to be acting in the capacity of the Client under this Agreement when exercising these functions in good faith.
