ROAD INFRASTRUCTURE MANAGEMENT FORUM

WED 21 MAR AND THU 22 MAR 2018

PALMERSTON NORTH CONVENTION CENTRE

INCORPORATING CORRIDOR MANAGEMENT, OPTIMISED DECISION MAKING AND
PROCUREMENT AND PERFORMANCE MONITORING STREAMS ON THU 22 MAR

CALL FOR ABSTRACTS

The Organising Committee invites you to submit an abstract (written papers are not required) for the 2018 Road Infrastructure Management Forum. The committee is looking for papers which are topical and of interest to Forum attendees.

The Forum will be showcasing ingenuity, with examples of leading best practice and thinking around adapting to current issues, innovating and managing better with what we have. This is a chance for you to share your experiences and knowledge with your peers and we encourage you to submit an abstract.

ABSTRACTS:

300 word maximum and must include three key points of learnings and be submitted by Monday 9 October 2017.

Instead of a focus on the production of papers the organising committee would like to emphasise the quality of the presentation required.

PRESENTATION OPTIONS:

There are three options to choose from – you select

- 20 min presentation plus time for group Q&A
- 12 min presentation plus time for group Q&A
- Table presentation. Each presenter will speak for 8 mins to one of 10 tables and will be followed by table discussion. The presentation is to be repeated three times and not to be a 'sales' session.

SUBMISSIONS:

Submit by email: joanne@conferenceteam.co.nz

Your submission requires the following:

- Snappy title & mini overview (max 300 words)
- Topic – identify where your presentation would best fit
- Mini bio and photo (jpg)
- Presentation option (20 min / 12 min / 8 min table presentation)
- Referee – name / contact of someone who has heard you present

Papers are NOT required; however your PowerPoint presentation must be submitted three weeks prior to Forum.

AWARDS:

An Innovation award will be made from the Forum presentations for four categories – Road Infrastructure Management, Corridor Management, Optimised Decision Making and Procurement and Performance Monitoring. This is judged by the attendees.

REGISTRATION:

If your abstract is accepted, it is a requirement that you register and pay to attend the forum. **All presenters receive a discount of \$100 off the published registration fee**

MORE INFORMATION

If you have any queries, please contact the Organisers:

**NEW FOR 2018
DAY 2 INCLUDES PROCUREMENT AND
PERFORMANCE MONITORING.**

TOPIC SUGGESTIONS:

DAY 1 – RIMS

- How is ONRC changing the landscape of road asset management
- Innovation in predictive analytics and asset forecasting
- Emerging data for network management
- Importance of data quality through connecting data to decision making
- Business case approach in Roading
- Data driven decision making
- Customer Levels of Services
- Technology supporting the changes in road asset management

DAY 2 – OPTIMISED DECISION MAKING

- Using dTIMS to plan the KPI gap for ONRC classes
- Modelling results and the business planning approach
- Long-term strategies
- Good case studies modeling examples
- Linking Customer Levels of Service to Investment Decision Making

DAY 2 – CORRIDOR MANAGEMENT

- What the stats tell us – Are we improving, holding the line or going backwards?
- Using the applications – RAMM Corridor Management and Submitica, BeforeUdig, System X, Forward works planning
- Code development – Education Seminars, the two year review cycle, local conditions, non-conformance process
- RCA experiences – District Councils, City Councils, NZTA the TOC's

DAY 2 – PROCUREMENT AND PERFORMANCE MONITORING

- Collaborative Contracting
- Section 17A Reviews
- Performance Measurement and Benchmarking
- Contract Model Case Studies
- Smart Buyer
- Motivators vs Behaviours
- Total cost of delivery vs tender box
- Procurement maturity
- Taking a Business case approach to Procurement
